## Event/Committee Updates

### Review of Past Events

- Sarah, Spirit Wear—everything has been delivered, missing something let Sarah know
- Picture Day (Cavanaugh) – Tammy, went well with new company, well organized; consider buying two backdrops for individual pics in coming years (stadium or something else)
- Fall Program – Julie - band pics are in the program, turned out nicely; we have kids' names are in the program this year
- Home Days Parade – Tammy--went well, great job by the band; Ice cream truck was a hit, well received; next year we will accelerate the line for the students; \$834 for the ice cream
- Air Show – Kelly & Tammy--successful this year but needed some help at the last minute; With increase for payment we made \$8650 for the weekend!
- Buttons – Kristina--new machine was excellent, has lifetime warranty; customer service was responsible and great; Kristina applied via Cheddar Up for a grant program for nonprofits and she applied for a Cheddar Up grant for an additional photo button machine
- Uniforms
- Musician- Michelle & Monica--doing well, 3 pairs of pants found in music room, please remind kids to keep their band stuff together and to keep them all nice; Plumes and hats—be careful holding them, two parts have been broken; need to seek out replacement parts from the company; we will need to buy additional hats and we will look for replacement

parts at that time; need to investigate—Tammy to reach out to company—we may be having an issue

- Auxiliary- Sue & Sarah S.--doing well, a few needed alterations
- Bandfest – Sarah A. & Becky--Success! Thank you to the volunteers!!! Really well done. Krispy Kreme stand looked AMAZING! 16 people did not show up who signed up; Lets decide to always call it Festival of Bands or Band Fest going forward to avoid confusion;  
**Can parent mentors send out communication to their sections reminding people to show up when they sign up; please take your name off the sign up genius if you cannot attend!**
